### **DETAILED ACTION**

1. It is noted that Applicant's response filed March 22, 2004 placed the application in condition for allowance based on the record at the time. The Examiner's Amendment is made in lieu of reopening prosecution in order to remedy informalities which were brought to Applicant's attention for the first time in the telephone Interview of April 2, 2004. Accordingly, no further extension of time is required to make the Examiner's Amendment which places the Application fully in condition for allowance.

2. Applicant's amendment, filed 3/22/04 is acknowledged.

3. The references cited on the PTO FORM 892 are cited in the international search report. The EP 0 605 797 was considered only to the extent of the sequences because the English translation of the document was not found. The references will not be supplied.
